“ *I was so sorry to here of the passing of my dear friend Lloyd. I worked with Lloyd on the drilling rigs and was his room mate for almost a year. I grew to really care about and value his friendship during that time we spent together. Lloyd was a very kind and generous man as well as a hard worker out here and respected by everyone who worked with him. His children should know that he constantly spoke of of his girls and how proud he was of them. R.I.P. my dear friend. You are missed by all that you came in contact with. Your smile was genuine just like your heart. God Bless. Your friend Gordy Maillet.*
