“ *Ms. Lulu, you were a very beautiful and special lady. You were my mother's neighbor and dear friend and we both will miss you. I will miss you greeting me as I pull up in my mother's (Bella) driveway and telling me "Clay you are so pretty." My mother and my grandmother (DD) will also miss you dearly as you spent countless hours with them drinking coffee, sharing homemade food and simply just being there for each other. You are at peace now and one of God's Angels.*

“ God gave me a beautiful gift when he gave me you....Louwanda
Not only a big sister but a best friend too
To share times of laughter and memories
You can't put a price on precious times like these
What a blessing to have you in my life
Always compassionate in times of hardships and strife

Isaiah 61:3 : To appoint unto them that mourn in Zion, to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of the LORD, that he might be glorified.

You will be truly missed by many, But ESPECIALLY miss by me until we met again.
