“ *Lucette was a good friend and even though I've not seen her in years I still remember her kindness and how she worried about everyone else and not herself. She will be missed by all whom she touched in their lives. My Deepest Sympathy and prayers go out to her family. May God's Grace be with you.*

“ *I wanted to extend my deepest sympathies for your family's loss. I have always found comfort in Revelation 21:4 “And he [God] will wipe out every tear from their eyes, and death will be no more, neither will morning nor outcry nor pain be anymore.” Everyone who has lost a loved one looks forward to the time when no one will feel the sting of death. (1 Corinthians 15:55) If you would like more encouraging information to help in the grieving process, please visit [www.watchtower.org](http://www.watchtower.org). I hope that these scriptures may help you though this difficult time.*

“ *Our deepest sympathy to the friends and family and also her dear friend Evelyn. We have known Lou for several years on both a professional and personal level. She certainly was a true friend and showed nothing but love and kindness to us, even going out of her way to be helpful in anything we needed. Whatever she did was from her heart.*

*This is truly a shock to us and she will be deeply missed. May God's good graces be with the family and friends in this trying times.*

“ *I want to offer my sympathy to the friends and family. I have only known her a few years but I know she made everyone around her happy. We can only wonder why God needed an angel so soon. Rest in Peace Lou.*
