“ *IN LOVING MEMORY OF MY DEAR SISTER DAIGLE:  
I remember her always giving hugs and kisses. She was always full of complements for me but very humbly would not receive any herself. I enjoyed so much hearing her speak Cajun French! If someone didn't remember how to say something in French we knew who to turn to. No matter how bad she felt she always asked about my Mom and was very concerned. She was definitely a "fixture" in our congregation and you just knew right away when she wasn't there. I know many times she came even when she was in a lot of pain. I do miss her already. I regret not being able to be with her more often towards the end. I just can hardly wait to see her again; probably with a boiled crawfish in her hand!! :-)*
