“ *So sorry to hear about Luthers passing he was a good friend of my brother George many years ago and they graduated together my prayers and thoughts are with all of you Dorothy Chaisson Tolbert*

*I am very saddened to hear that my brother Luther has been called home to be with his Heavenly Father, but so happy that I was able to share many good times with him through our journey here on earth. We were in the graduates class of '64. Luther joined our class in the 7th grade and allowed us to share many fond memories through our remaining school years. We worked together many summers on the farm for Mr Phenice, bailing and hauling hay for storage in the barns. In '66 Uncle Sam came knocking at the door so we had to commit our lives to some branch of the service or be drafted in the army. He chose the Air Force for his 4 yr service commitment and I went Navy ,”to see the world “. In 1970 after his 4 yr service term we were able to celebrate a few outings together such as the Crawfish Festival and the Pelican Club. In June of '72 while at my bachelor party he told me he had found the love of his life and they would be marrying very soon. I know that did happen because we both celebrated our 48 years wedding anniversary last year, 2020.*
