“ *Phobe and Lynn's Family:*  
*Lynn and I were young mud engineers together at IMCO Services in 1974. He had finished mud school in Houston about 6 months prior to me. We went our seperate ways after that but we retained our friendship over the years. In 1986 when the 'bust' came I was out of work and needed a job. Lynn hired me on a 7/7 temporary basis at Miller and Associates for a few months, but it was a God-send to me and my family. I will ALWAYS be in debt to him for that.*  
*Adieu my friend!*
