“ *Very sorry to hear of Mac's passing. I first met Mac in Baton Rouge when Mac was staying with his sister and brother-in-law, Earl Gros, when they lived next door to my folks in the early 60's. In 1964 he was my roommate along with two other fellows living in a "carriage house" behind a large home on St. Charles Ave. in New Orleans. I lost contact with Mac after I got married and moved to the Florida Keys until the mid 80's when we moved to Ruston, LA. Mac was a great guy and always fun to be around. God bless him and your family.*

“ Pat: I am so sorry to hear about Mac. I worked with him for a number of years with Tide Products and Wilbur-Ellis. He was a great leader and motivator of men. He set a high standard for all who followed him. I know his last year has been a hard one. My thoughts and prayers are with you and the family. Memories he leaves behind will keep him alive in the hearts of all who knew him.

“ Pat, know that Mac was really respected for his service to the farm community! I could always find Mac checking fields early mornings. I have fond memories of seeing Mac while flying chemical on for a farmer that Mac had inspected the day before. He was the person that most farmers in the area would seek out for his vast knowledge of crop disease.

Mac met no strangers, 5 minutes of talking with him would leave you feeling like you knew him a long time. This was one of the things that I missed not seeing him at Stines'.

Know that he is in a better place! Also know that you can count a bunch of us that will miss him along with you guys! We will keep all of you in our prayers!
