“ Momma, I love you more and more and more. I will miss our conversations so much. I will cherish the memories we got to make. I will make sure your son is taken care of and keep him in line. He will continue to do good and help me take care of all of these kids and make lots of memories. Rest easy, you say hello to my momma for me and you two watch over us and gossip about us. You are with your husband now and we know that is what you wanted. I love you and Rest In Peace momma.
