“ I would just like to send my condolences to the whole family I know you all have experienced alot of loss recently. I had the pleasure of meeting maw maw and paw paw cormier back 23 years ago I actually remember the day paw paw cormier had caught a ton of catfish and brought us into his little she'd to show us. From that day forward I knew that they were really good people and was proud to be part of there big family. I bet maw maw and paw paw cormier are in heaven rejoicing in there reunion with one another and looking down proudly on all the beautiful family members that without them wouldn't even be here. I am sure they are enjoying one another like never before after some long overdue alone time together. With love, Mandy, Austin, Kayla, Kolby, & Devon Morrison.
