“ I do not even know where to begin if asked to share a memory of Dale.. I could fill up pages with words about him.. The day I met this man, he has been nothing but good and kind and caring to me and my family.. He was a strong man, a loving man, a thoughtful man, a wise man, a wonderful friend...He was my boss, my friend, my best friends husband...He shared his wisdom with me, he showed up when needed for me, he welcomed me as part of their family..

*The level of goodness in this man can't be written in such a brief moment..too much would be left out ..
He will be so very missed...He already is being so very missed..
I was Blessed knowing him..*
