“ Russell I was shocked when I heard Mary had a stroke. Being a stroke victim myself I thought I knew what she may be going through and maybe could share with her some of the things I went through, that is when she would have recovered, but her leaving this world was more than I imagined. I am sorry for your loss. I enjoyed making Mary her peach scented candles as she loved my peach candles. I am sorry I didn't visit often but my sister Linda would tell me how Mary and you were doing, as Mary was in her pokeno group. The world has suffered a great loss but Heaven has gained an awesome angel! We will miss her terribly! Need anything call, 329-0858 We Love You Both, Cindy
