“ *Rose and family, my thoughts, and prayers are with you and yours. I remember going to spend the night at your house as we did when we were children and what a good cook she was. I know you will miss her but as long as she is in your memories she will always be with you. God has her safe and sound in his arms. I pray Jesus places his hand on you and takes the hurt of her loss from you so you can know ever lasting peace.*

“ *Our thoughts and prayers are with you all during this time of your loss. Right now, when your loss is so fresh, it may be difficult for you to imagine. But in time, the blessing of God's unfailing grace will soften the hurt that you're feeling and bring your heart the peace, comfort and hope that it needs to heal. Until then, please remember there's a circle of friends surrounding you who are embracing you, and lifting you up in prayer.*

“ *My thoughts and prayers are with you all. I have many fond memories of your family growing up there in Hathaway with you all. I know that times like this are hard, but just keep that faith that Dolly is there with Jesus now, and we will be there with our parents and Jesus one day ourselves. God Bless and Keep you all.*

“ To all my Leblanc cousins, your mom was a wonderful woman! I loved spending summers on the farm as a kid and watching her cook. Her boiled peanuts, fig preserves, homemade potato chips and koolaid popsicles were the best! As an adult my husband Rob and I loved going to see her. She always made us feel at home. She introduced me to tasso. She loved showing us her garden. Her garden was unbelievable! I wished I had her talent with plants! She is now with Shane and dear Uncle Oza! I am sure they are having a great reunion!! Love to you all!
