“ *I was one of Mary Lynn's first cousins--our fathers were brothers. I did not see Mary Lynn many times after we were adults but in our younger days we spent some time together. I wish that I had not always lived away so that I could have been a part of her life as well as part of the life of my other relatives. I know that Mary Lynn was a special person especially to her nieces and nephew after their mother, Wilda Mae, died. I'm sure that she was a special person to everyone she knew and that she will be greatly missed.*

Greta, Amanda, Paula and Edward Paul I want you to know that you will be in my thoughts and prayers as you go through this sad time. You have had much sadness in 2013 as you lost your father in August and I wish for you a better end to this year and years to come.

“ *I worked with Mary for many years at the Welfare Office in Crowley. She was one of the hardest workers that I have ever met and a delightful person to know. May God comfort the family in her loss.*

“ Paula, when I was looking for this obituary I realized I did not even know "Aunt Mary"'s last name. She has been part of our NV lives for so long. All the graduations, summer gatherings, weddings and showers. She was always so kind and friendly.
I am so very sorry for your loss.
