“ *My memories are few, as I hadn't known him for long. He called me Baby, and he often told me he loved me, and I loved him. He most certainly loved his "3 Musketeers" or any other Chocolate I shared with him. He loved his morning coffee and you could tell it warmed him up from the inside out. He made a big impact on me in a short amount of time. I became his and he became my fiend. I will forever be grateful for the time I shared with him. And for that.. "I am Blessed!"*
