“ *Mrs. Inez...*

I would like you to know that your family is in my thoughts and prayers. Your husband was a great man who always gave to others and did all that he could to provide opportunity to those that he felt could use a "break." He helped get my brother into the Camp Beauregard program all of those years ago, and as a result, Blake finished high school with more one on one help, and is doing good these days. Though my father isn't the best at showing his emotions, I know that he loved him and had a lot of respect for him. I will be praying for you to get through this time with your family, and I am thankful that your husband now has a home in Heaven.
