“ *To the Doise Family*

It was such a shock to hear of Melissa's passing. She and I were classmates all of our twelve years of school in Elton. We never crossed paths since graduation and for that I am sad. Our prayers are with your family, Merry Christmas, Melissa.

“ *To the Doise family:*

My deepest condolences to your family. I attended NLU with Melissa and she was also my study partner in law school. She was always so kind and considerate of others. I know she loved her boys and fought a heroic battle so she could enjoy every moment possible with her sons. My prayers are with your family.

“ *To the Family of Melissa,
I was Melissa's Coach in High School and can honestly tell you that Melissa was such a pleasure to be around and coach. She always showed such leadership, respect, and maturity. Out of the 30 years I coached, Melissa will always be remembered by me for her pleasant attitude and ability to win people over.
I was Melissa's Nursery School Teacher. I can just picture in my head melissa in our back yard and just being the most pleasant kid to be around even at such an early age. Such a joy, and so loving and kind. She will be missed.
I think sometimes we are not sure what to say at these times so we have used words and mean them sincerely such as "sorry for your loss", however, i once heard someone say something is lost only when you dont know where it is. This is not the case for Melissa, I know where she is, she is in Heaven and has finally ben received and welcomed home. May we all fight the fight as Melissa did, and rejoice that Melissa heard these words when she took her last breath, "You have fought the good fight, you have finished the race, you have kept the faith. Well done my good and faithful servant" I am challenged this day to look at my life and pray that i will one day hear these words that our Loving Melissa heard.

“ *I am deeply saddened at your loss and send my condolences to you and your family. I would also like to share with you a comforting scripture from the Bible at John 5:28,29 “Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice [the voice of Jesus] and come out.” God has all of our loved ones in His memory and at a future time will resurrect them back to life. Please visit www.watchtower.org for more comforting thoughts. Again, your family has my deepest sympathy.*

“ My heart goes out so much to you and your family. I want to say Thank You All for allowing me to be a part of your family. If there is one gift I have ever received in life it is being able to be a part of the Doise Family. I feel safe cause I know that Mr. Wayne and Melissa will always be above me and my children to watch over, guide, and protect us in good times and bad. I will always remember that beautiful smile she had every time she saw us. Love you Melissa my angel.
