“ *Mervin was the quite one compared to Ervin & myself, but, isn't it astonishing the large hole he left behind.
Pat, I will never, never forget the couple of hours we spent with him & you last Nov.
He impressed Smitty & I so much, the way he faced death & talked about it. I felt like I was very blessed. If everyone could face & be open about dying like him.
Pat, remember---he said "there would be a lot of hugging going on up there!"*

Mervin, along with Ervin were my playmates as a young child, so both are very important to me. I think more so, since I left our home at 18.

This makes my memories much stronger than the ones who stayed.
