“ *In all the cousins Randy was of our closest one..... He was always ready to help our family any way he could and loved to make us laugh, he was my mom's godchild that she loved like her very own.... I pray for you his children and siblings that you would all feel God's comfort as He promised to those who mourn. His peace to surpass all your understanding and the grace to face the days ahead... Always know I am here for you all.... I am heart broken and still cannot believe this is true... Love you all dearly...*

*Our cousins are our first playmates. I am very fortunate to have this huge family. I loved the fact that although the my cousins where older than me they never shooed us away. Randy had a smile that would make you smile, he was so sweet . I'm so fortunate to have grown up knowing him. Heaven just got another angel.*
