“ I want to say to the family that I am deeply Saddened to hear about Lach. He was a co- worker of mine for a time. I kept I touch with Lach over the years, and knowing the man he was I know he will be missed by anyone whom had the honor of meeting or work with him. He made my day easier being away from our families. I consider Lach the best boss I ever had the pleasure to work with. He gave me a chance when others wouldn't and it gave me the opportunity to climb the coil latter.

RIP MY BROTHER LACH I KNOW YOU ARE IN A BETTER PLACE. (See when I get done on this earth miss you!!!)

“ *Lach would always light up the room. A positive energy that was full of love and generosity. He was a father, brother and best friend to me. The first man other than my father that ever told me he loved me. We love you poppy.*

“ *The last conversation I had with Lach was about family. The oilfield is hard on families but Lach had a positive outlook on everything. We talked about our kids/grandkids. It was like in those several minutes we talked about our families that we had somehow escaped from work. Wish I could have another one of those conversations with him. RIP Lach*

“ My condolences to your family. Lach was a great, hardworking and fun loving man. When I came back to work after loosing my father, he sat in my truck with me all night and just talked about the astros, his grand babies and moving to the beach. After a 4 hour history lesson about the astros, I finally asked him why he was talking so much and not pacing around the coil unit like normal he said “because I haven’t seen you smile once, I know your sad and you aren’t going to be sad alone”. I didn’t realize it then but it was just what I needed. Your family and the world has loss one special soul. He may be gone but his imprint on our little oilfield family and stories will last forever!!! Until we meet again my man.

“ My condolences to the entire Lachaussee family. You are in our prayers. I have many great memories of Mike. When his sisters would babysit, I would always ask if Mike could come over too. We played lots of basketball in my grandmother's driveway. Of course, you can't think of Mike without thinking of Midland Rebel basketball. I know that Ms. Margaret was waiting to welcome him in heaven with a big hug and kiss.
