“ *I feel privileged to carry my Miss Millie to her resting place. There are so many memories with her and Mr Blue with my family. I know they are with my parents watching us every day and dancing away up in heaven. Glad to know we have angels like them watching over us. Love y'all*

“ I remember watching your Mama and Dad dancing together, I must say you saw the love they had for each other just in the look they gave each other. It was magical, Your mama was great to see, she always made me feel welcomed and she always showed how much love she had for everyone. I will miss her hugs and her smile. She will be missed greatly by everyone. We love you all, and your in our prayers.

With much love

“ Aunt Millie we love you and will miss terribly. We were planning to come down to visit with you. But you are taking a better trip than we were, I kind of jealous because you get to see Dad and the others before I do. Give them hugs and kisses. Miss your laughter and you chasing turtles. love you very very much Ella and family
