“ I remember when i first met Nolan when my Dad (Otis LeBlanc) and I went to visit them. Nolan must have been around 18-20 and i was around 10 ... andI thought of him as my handsome cousin! They'd all just come back from a Nutra hunt and it was skinning time. Those boys told me to come 'grab hold' of that thing while they skinned! I KNEW they were testing me, their skinny little 'city cousin'! But I showed them I was tougher than they thought, and grabbed hold of it (probably grimaced a bit ... but sure tried not to!) No more gators or Nutra for you, Nolan! Rest in peace
