“ I have lots of memories we talked on the phone many times every week. He once brought me a plate of food he had just cooked to the truck stop where I was parked and once he drove all the way to liberty Texas where I lived and brought the crawfish with him!! Many times he and I would ride over to Crowley to the rice palace for a cup of coffee or we would hang out and watch westerns. Wow.... I'm really gonna miss our talks every week but I know the lord need a good Cajun chef in heaven. Until we meet again my old friend and I'm absolutely sure in my heart that we will.
