“ *Olen Crochet's
The significant of a good name*

*You got it from your father
A gift he was so proud to give
So it is yours to use and cherish
For as long as you may live
If you lose a gift he bought you
It can always be replaced
But a blemish on your name. son
Can nver be erased
It was clean the day you took it
A worthy name to bear
When he got it from his father
There was no dishonor there
So make sure you guard it wisely
After all is said and done
You will be proud your name is spotless
When you give it to your son*
