“ *My great Uncle Ray, I was impressed with his strength and willingness to press on in his old age when my husband and I drove up to his house and saw him cutting grass with a push mower at around 90 yrs old. Then later at age 99, we visited him and his daughter, Cumalee, he was dealing with some health problems but his mind was still so sharp! I hope my strength and my mind can be as strong as his if by God's grace I live to such an old age.*
