“ *I miss you pop. I remember when you were up late late at night smoking your pipe. I would come in the kitchen and ask you why you still up, did you get some sleep? Knowing you didn't because you never moved from that spot watching cowboy shows. You tell me, yeah I slept don't know how someone been beating on the side of the god damn trailer. Look Jason there he goes through the yard! You seem em? I'd look to indulge. Nobody there. We miss you.*
