“ *Gene, Richard and Wade,*

My heart broke when, as a child, I discovered that my Aunt Pheobe wasn't really my aunt. She made me beautiful birthday cakes when I was young and I always loved her for her kindness, compassion and advice in later years. My prayers are with you in your time of grief.

“ *Our prayers go out to Ms. Phoebe and her family. She was a really special person and we enjoyed talking with her at the Nursing Home. She always seemed to be smiling and we will miss her immensely.*

“ So hard to believe our dear sweet Aunt Phoebe is gone. She was a wonderful, fun and loving Aunt. Aunt Phoebe never said "no" to me when I was growing up. She was fun to be with and told the best bedtime stories when we were little. She was a good example to all and I will miss her always. My love to Wade, Richard and Gene.

“ I remember her even when I was young. She had a loving manner about her and she showed it to me ---because I remember her to this day. Being a Baptist, as was my mother Nolia Worley, made it more personal and I saw her on Sundays as she smiled and spoke to me.
