“ *Aunt Phyllis really took time out to get know my sister's, brother and me, which always made me excited to go see her. Aunt Phyllis would give Evalina and me rides on the horses and talk to us about whatever we wanted to talk about. I was so glad that she came to Washington to visit us and will miss her a lot. She will always have a special place in my heart. Even though I know she is in a better place my heart hurts from the loss. My condolences to her whole family on your loss.
