So sorry for the loss of your son, he will be greatly missed by all that has ever come in contact with. i cant think of anyone that did not like Randall. i just wish i could remember how many chickens that i fried that he ate lol, he would tell me to make sure and cook enough!! then when i was down and out, he would come help me with the house and the kids, lol it was like the blind leading the blind. i did love him so, and i will miss him bringing me his mommas homemade black skillet cornbread!!. RIP my dear friend, til we meet again!
