“ Dear Sara, At this time nothing can be said to you and your family to make this sorrow get any better! But perhaps in time THE REASON will become a little easier for you to try and understand. My prayers and thoughts are with you. Today in the newspaper was the first time I saw your beautiful daughter and I saw you in that picture. Mary Gautreaux called me last night with the very sad news. Hoping, maybe some day we can get together and "talk" about some good times in the past. Love, Judy Gautreaux
