“ *Time is too slow for those who wait, too swift for those who fear, too long for those who grieve, too short for those who rejoice, but for those who love, time is eternity.*

I will love you and miss you forever Uncle Butch, you will be in my heart forever! Please don't torture Mom too much up there! I know y'all have missed each other very much.

“ *Sometimes years pass without friends seeing each other, however, friends they always remain. Butch I will always remember a goofball, cutup with a smile for everyone. You and that smile will be missed by many.*

To your family I pray God will walk with you through this rough time into better days with sweet memories until you meet again.
