“ *So sorry to hear of your loss! I just found out today or I would have attended the funeral! We so loved Becky and Shine and will always be grateful for the attention and caring visits that they so generously gave to Mom and Daddy before they passed away! I would like to have some masses said for both of them at whatever church that you would like! If you could let me know I will take care of that online and have the church secretary sent Victor the dates and times of the masses! Thanks and again our condolences!*
