“ I am so glad I was able to spend those last days with her. It added to the memories that I already had of her and friends. It was always a pleasure to be in her presence. She was a very special person and will be missed. I still hear her voice and smile at her sense of humor. In a private joke that we had I will say "Man Down", here on earth, but "Wings Recieved" in heaven! God's Peace and Love to you the family. Always and forever, Cynthia Thompson, Oklahoma
