“ *What a nice friend and great co-worker! When he retired, my days at work were never the same again. My memories of Richard are just a fun, happy, pleasant but mischievous guy. He had a great smile and a twinkle in his eye like he was up to something! Always joking around and constantly trying to startle or scare me. I don't know who laughed more, him or I. Yet, he was also very kind and always willing to help whenever he could. I miss my friend and pray he is in a better place.*

*To My Dearest Dad;*

*I will cherish you, Dad; you were a loving husband, a loving Father, Brother in Law, Grandfather, Great Grandfather & Uncle. I'll also cherish the memories; the places we've been together, from the mountains of N.H., to the Atlantic Ocean, to the Niagara Falls, N.Y., from Fort Ticonderoga, N.Y., to Washington, D.C. The trips from, N.H. to Louisiana, Florida and more, the back yard barbecues. Your great sense of humor will always be remembered! The ups & downs, but we always prevailed! The conversations we've had. I'll always remember the things you taught me, the ways you have guided me, and the values I have embraced by you! Your family loved you dearly. Your friends and my friends loved you, too! My friends would tell me, "Sue, You have the best Dad in the world."*

*I Will Be Strong, And I Will Let MY Heart Take Courage, And I Will Wait To See You Again!*

*1 Thess. 4:14--For Since We Believe That Jesus died and rose again, even so, through Jesus, God will bring him those who have fallen asleep.*

*One last memory,as there are so many, modified just a bit from when you sang this to me, DAD; "YOU ARE MY SUNSHINE, MY ONLY SUNSHINE, YOU MADE ME HAPPY, WHEN SKIES WERE GRAY, YOU'LL ALWAYS KNOW, DAD, HOW MUCH I'VD LOVED YOU, NO ONE CAN TAKE THAT SUNSHINE AWAY!"*

*In Loving Memory, Your Daughter,*

*Susan Lie*
