“ *My memory is not of Mr. Gotte himself, but of one of his precious grandchildren, Erin! Erin was a student of mine in middle school and I thoroughly enjoyed her friendship and am blessed to still have it through cyberspace! I'm pretty sure a lot of the personality I so enjoy in Erin comes from her grandfather whom she adored! Erin, my prayers are with you at this time...I know how difficult losing someone dear at Christmastime is...I lost two nieces at that time and miss them still...so when I pray for them and feel sorry for myself missing them, I'll remember and pray for you too. Love you! Rita Ann Cera Tate LeDoux, also known as math teacher.*

“ *I have many fond memories of Uncle Richard, but I'll share the first one. It had not been long that we (Mom, Dad and I) had made the move from Ga. to La. I was still a green city girl! One day Uncle Richard and Aunt Maisy wanted to go for a ride because he had seen a flock of blackbirds! I had no clue why a circling flock of blackbirds could be important, but I rode along out of curiosity! Well I quickly found out why....and could not fathom anyone taking all that trouble to kill, feather and eat blackbirds....my first Cajun lesson ...blackbird hunting lol! Thank you Uncle Richard for many laughs, your hard work and your love for your family and God. Much love and prayers for you Aunt Maisy and the family.*
