“ Rest easy Uncle Richard. I will forever hold memories of you in my heart. Your Cajun swimming pools were the best as a kid. The grumpy gus we got some days that turned around quickly to be more nuturing than some would expect, you made sure we had what was needed and got sunshine and fresh air as kids not TV and boredom. Time spent with you was never boring you let us learn without telling us we were being taught and that looking back was the best. I only hope to be half the person and adult you were. You are loved and so very missed
