“ My thoughts and prayers are with you all, I am so sorry that you have to grieve again so soon. I was very privileged to work with your dad for FSF medical bills. (He was so organized) I have never met anyone more kind, compassionate, loving, caring and giving person. He will be deeply missed. Matt, Carter, Julie & Donette--you are an image of your parents, as you all have shown me your great qualities with your friendship. Remember all of the good times, talk about them often and that will help you through this difficult time. Love you all.

“ *To Carter and Family,
I am so sorry for your loss. The pain, grief and the feeling of helplessness can seem unbearable at this time. At such a time though we can find comfort in God and his word the Bible. 2 Cornithians 1:3,4 it says,".... that God is a God of all comfort, who comforts us in all our tribulations.... " Also God's Word shows that he cares about what is going on in our lives. That passage is found 1 Peter 5:7. And at Revelation 21:3,4 it says that God is with mankind and he will soon wipe out our tears, pain, mourning and even death. That will be a wonderful time. I hope that these words give you and your family some comfort.*
