“ *Nanny, Ramona, and Tammy - I am really sorry for your loss. I wanted to be at the services and I asked Mom to give you the message that Robbs boss was in town and we had a seminar that evening and appts set up. I am thinking of you and praying for you. I hope that soon I'll be able to visit with you as I often think of my younger days and visiting at your house and enjoying Nannys wonderful cooking.*

“ *Today Jan. 30, 2009 was a tough day but the Lord is with us all. My love and prayers are with you, Neva, Mona and Tammy. Neva, I know you will go through some strange times, (as I did 5 years ago) but remember, be strong and the hurt will get somewhat less. You will be going through 7 stages of grief, sometimes you will go through one stage 2 or 3 times, but always look up to God and he will bring you through it.  
Love you, your sister, Anna*
