Robert John, better known to his family and friends as "RJ", was born in Evangeline to the late Gottlieb and Dezelia Miller Dietz in November of 1935. He was a graduate of Iota High School class of 1955. RJ served his country honorably in the United States Army. Following his military service, he worked in the oilfield as a supervisor for Amico for many years until his retirement. RJ was devoted to raising his children and taking care of his wife, Annette, of 55 years. He first laid eyes on his beautiful Annette in the second grade. He wrote her a little note telling her how much he liked her and he was going to marry her when he got big. Little did Annette know in years to come she fell in love with RJ and they were married and started their lives together. RJ will be remembered as a kind and loving father who spent much of his time coaching his children in Softball Little League, playing basketball and boxing with them. He was an outstanding athlete. He also enjoyed hunting, fishing, and having family gatherings. RJ was dearly loved and will be greatly missed. Leaving behind to cherish his memories are his beloved wife and best friend, Annette Leger

“ To those left behind.
I am so sorry of your great loss. R.J. was a good Man. Death is part of life.
Life is a journey, We are just passing through to make a choice, "where we will spend eternity".
It is written, Believe on the Lord Jesus Christ and you shall have eternal life. R.J. has completed his journey and gone on to spend eternity with the Lord. The Bible says, believers will be reunited in heaven. What a Day that will be! It's what life is all about.
R.J. had a good life. He was blessed with a wonderful family. He was loved because he loved.
