“ Our family was blessed to have the opportunity to reunite with the Millers back in September after several decades of having lived in other parts of the country. We could tell that they were a gracious and loving family whose warmth and kindness extended beyond the boundaries of family ties. Our thoughts and prayers are with the Millers on this day of loss.

Sincerely,
The Keith Schoultz Family

“ *Spent the last 9 1/2 years working with this man. Didn't get the privilege of meeting his family but was able to share mine with him at times. Always thought of him as a brother more than as a coworker. Shared lots of good and bad times. Celebrated births of grandchildren, family moments and concerns. Will be sorely missed but certainly not forgotten. Anticipating the day that is certainly coming when we will celebrate together in the presence of our Lord and Savior, Jesus Christ.*
See you there Brother!!!

“ *Robert taught me a lot about the oilfield over the years, he always greeted me with a smile. His love of his family, especially his grandchildren, was always a topic of discussion. So much so, that I started calling him "Paw Paw" when spoke to him, which always made him smile. I will sorely miss him.*

Aww that is so sweet. He was not only the greatest dad and father but he was the greatest grandfather (paw paw) his grandkids had and will always have

Robert was a dear friend of my late husband Charlie Miles. Charlie valued his friendship so much. He spoke of how Robert loved to go the the Giant market in Canton, Texas. That was on my husband's bucket list... But, we never made it there. Robert talked lovingly about his wife and family, and, his deep faith in his Lord. Rest in Peace Robert...
