“ *Having lived next door to T Boy & his family during my childhood, I never really knew him until he started dating my friend Joann. During April I had the greatest opportunity to stay and get to know him, he was the greatest most genuine man I have ever met. He made me feel so welcome he made us laugh, fed us and was the most gracious host. He made my vacation the most memorable one in a very long time. I was truley ecstatic that he and my friend Joann found each other, I told her she was the luckiest woman to have him, it broke my heart in a millon peices when I found out he was sick, for myself, Joann and most of all for him. I will miss and rember this great man to Infinity. He was one in a millon! He Aint Heavy hes my brother! Rest easy T till I see you on the other side. Love, Roni*
