“ *Dianna and Marvin; your mom was a wonderful sister in law. We shared so many things. We both cherished our families, loved to see, decorating our homes, and our caring for our plants. We spent hours talking.*

Rose, thank you for all the memories and may you rest in the arms of our Savior.

“ *My Dear Wonderful Sister Rose,*

I'm alive today because of you. You kept me alive when I was an infant and near death. Truly you were not only my big sister.....you were my second mom. The bond that binds us together will never be shattered. There are no words to adequately express the sorrow in my heart over your passing. I take consolation knowing you are with Walter, Mom & Dad, Tick, Joe, Percy, Hazel, Eldie, Howard and all my dear departed family members. What a joyous reunion that must be.

Since you are now part of the Church Triumphant in Heaven and you now stand in the presence of Our Heavenly Father I ask you to pray for me and my loved ones. Your pilgrimage on earth has ended, our journey here continues. I long for the day we will all be gathered together again to enjoy the laughter and fellowship we so enjoyed at our family reunions. That will be a special day.

Your loss leaves a gaping hole in my heart. I turn to Jesus Christ Crucified to fill it.

In Him,

Your little brother,

James "Jeb" Vincent

“ *Diana, Marvin and family*

What a great loss!! Rose was a true southern lady. She showed her southern hospitality to all who visited her home. She had a great talent for sewing, cooking and a great sister-in-law. She loved our Lord greatly and spent her life serving Him in many ways. She had prepared herself all her life for her eternal home. May our Lord welcome her home with open arms to be with her beloved, Walter and her family forever. She loved her family so much but eventually we are all called to our eternal home. I will miss her smile and calling me Bedee! I was truly privileged to have known her. Our hearts are broken because we cannot attend but her memory is deeply cherished. Our prayers and condolences to all her family. Rose and all of you will continue to be in our prayers. Sending hugs and much love, Aunt Betty Vincent

“ Dear Aunt Rose,

I love you beyond words. Every memory I have of you is a happy one and I can't express how much I'll miss you. So often when my family came for visits, you treated my sisters and I like princesses, putting us in your beautiful guest room and making us your famous chocolate malts. A couple of times I was sick while visiting and you cared for me. I'll never forget how kind you were to me when I was struggling with the diagnosis of epilepsy. You never treated me any differently though and with you I was just your niece little Kathryn. I'm heartbroken we can't be there and I know daddy is too Aunt Rose. He loves you so much and has always told me he owes you his life. Thank you for what you gave to my father, thank you for what you gave to my family and thank you for what you gave to me. I love you ❤️.

Marvin, Diane and all the family please know your in our prayers and we feel her loss deeply.

Aunt Rose, please give everyone that's already crossed over and your with our love.

*My love always,
Kathryn Vincent*

“ Aunt Rose was so very special to my heart. As all of my Mother's sisters and brothers are. She taught me how to look my best at all times! Never ever saw her leave her house completely dressed-hair-makeup-outfit-shoes-purse matching. I love her so.
