“ I remember one vacation when we came to visit and Aunt Ruby took us to the casino. She was 82 so I thought we would be back early cause she would get tired and need her rest. At 2:00 in the morning, I was hanging on a slot machine trying to stay awake and she was still going strong. She always made our vacations to see her so much fun. I will miss her dearly. She has a very special place in my heart.
