“ *My Girl Ruthie*

Where do I begin. My girl was so much fun to be around. We had so many sweet, loving and crazy conversations. Our best time to have our crazy conversations were in the early morning hours. Oh my, so many times I was hoping and praying that no one was listening. We would laugh like 2 little girls. My Ruthie girl would always get so excited when her sister's would come visit her. We all sat around the table and drank coffee, ate ice cream and cake. She would laugh so much when they were there. We would take our little strolls up and down the street when the weather was nice. She loved to wear her little hat with the flowers. Mrs Ruthie loved sitting under her big trees and enjoy the fresh air. Sometimes She wasn't hungry for that salty food but show her that cookie, pie or cake. I have so many awesome memories of My Ruthie Girl. We had so much fun. I'm going to miss her terribly. My most memorable memory of my girl was when I took her to the nursing home to visit Mrs. Vina and Mrs Eva. They sat side by side and had such a beautiful time. They laughed like 3 little girls. My heart was so full to sit and watch them. I will always cherish the time I spent loving My Girl. I have been blessed to taken care of Mrs. Ruthie her sister's Mrs. Vina, Mrs. Eva and Mrs. Dot. I want to say thank you Connie for treating me like family and for being so good to me. I love you Darlene
