“ I met Ryan back when he was like 16 and from the minute I met him Ryan was always a out going guy I don't think there would be a person in a crowded room that wouldn't know Ryan by the end of the night cause he got along with anyone and would talk to anybody. I know he could make you laugh when you was feeling down and would help anyone any possible way he could and never ask for anything in return. Rest in peace my brother and we will always love and miss you.
