Saundra and I were friends for fifty years. We first met in 1967 at The Lakeshore Club in Lake Arthur during a Christmas holiday dance featuring a popular band, The Boogie Kings. She was pretty, petite, quiet yet friendly. I liked her immediately. Since our husbands' were good friends, we spent a lot of time together and with other couples for the next 23+ years. It seems as if we would all get together at least once a week for bar-b-que, gumbo or fish fry's. We'd play cards, go dancing, or watch the Super Bowl, while all of our kids would play outside. However, the highlight of our time together was those days spent in the Gulf of Mexico fishing! Whether we were fishing for Speckled Trout, Red Fish, Red Snapper, Ling, Dolphin or Amberjack, Saundra invariably "out-fished" me and sometimes the guys! She would remain calm, cool and collected each time she quietly hooked another fish. Our love for fishing eventually resulted in the formation of "The Cajun Saltwater Anglers" fishing club. The primary goal was to host an annual fishing rodeo in July out of Cameron Parish. Another goal of the club's rodeo was to be "family friendly" so as to include categories for teens and children. Saundra served as the club's Secretary for many years. Her impeccable work ethic spilled over into her record keeping for the fishing club. I have so many "fishing tales", all true, of these times we spent together. Fishing became my passion, as I believe it was Saundra's as well! I have so much admiration for Saundra in all areas of her life. She proved to be an awesome wife, mother and friend! Her quiet strength came from a deep abiding love and compassion for her parents, siblings and her own family. Never boastful, she was extremely proud of her children, as they are all professionals in the medical field. Her 7 grandchildren and 2 great-grandchildren were the "love's of her life" and she tirelessly spent hours with them attending their sport and extracurricular activities, many times after a full day at work! So much more I could say. In closing, I would like to share this with all who knew and loved her. As in life, Saundra graciously accepted the hand she was dealt. Spending time with her during her final weeks at home, she quietly accepted her fate. She even continued to quiet our aching hearts by assuring us one day, when she suddenly woke from a deep sleep and announced, "It's So Beautiful!". She had seen Heaven! Today she is with God, Jesus and The Holy Spirit! She is happy, whole and healthy! I miss her tremendously, but when my next thought is of a precious memory of her, I smile, look up and can almost hear the sound of angel wings fluttering above. I whisper, "Save a fish for me!" I love you, Saundra!
