“ *Sean's cheerful smile and easy laughter will be missed by many, friends and family alike. While he was clearly a man of strong convictions and principles, I love that he never lost the ability to laugh at himself as well as laughing merrily along with his friends and family. He was kind, gracious, loved life fiercely, and will be missed! God rest his soul. We will take care of the memories.*

“ *Sean was a neighbor to me on two different occasions and one of the first people I met when I came to Gueydan. He is a large part of this community and will be missed by many. I feel that he is reunited with his family who has gone before him and rejoicing in that. Prayers for you Jamie as you continue your treatments amid mourning your loss. Prayers for all of Sean's family as well. May God bless you all and shower you with grace as you grieve.*
