“ I had not seen Sharon for more than 40 years when I finally saw her at the funeral of our Aunt Lucille in Lake Arthur  
She walked up to me all smiles, gave me a long loving hug.  
At first I didn't recognize her; but when I looked at her again and saw her full face smile and the way her eyes always twinkled and I heard her little laugh, I couldn't believe it was her.  
I saw her again at a gathering for my sister and brother-in-laws anniversary celebration.  
I feel blessed having seen her twice in the last few years but how I wish she was still with us so could meet and reminisce and laugh till we cried.  
God's blessings on her family and may you remember her dearly.
