“ *At the beginning of my teaching career I was fortunate to be in the next room to Sheryll. She made my transition into my new career so pleasant, as well as the years that followed. I will always cherish the kind reminders and assistance she gave me. Sheryll was such a positive inspiration and ALWAYS had a smile. May God comfort the family at this time from the loss of such a beautiful person. Count your blessings for her influence, I still do 26 years after we met. I am sure you have many more memories of her guidance and love.*
