“ To say that I haven't been changed for the better for knowing Sonia, and her family, would be a lie. Sonia always had a smile or a laugh for anyone she met. You couldn't be sad around Sonia, or at least not for long. (She might tickle you if you tried.) Her beautiful heart spoke volumes to me, and I would imagine to everyone she met. Her life, however brief, was a testimony to the joy we should all have. We love you beautiful girl. Praying continual comfort and frequent happy memories, for you and your husband, Mrs. Anna. Lifting up her caregivers, her favorite nanny, and her brother and wife, and her nephews that she loved so very much. Thank you for letting me share some of life with you.

“ I first met Sonia when she started Pre-K. She has always been such a joy to see, never without a smile and always ready with a big hug. Ms. Anna only time and the help of the Good Lord will make this loss tolerable. I know in my heart she is an angel in heaven because she was an angel on earth. My prayers are with you and all your family.

“ Sonia impacted my life with the greatest lesson one can possess, she always saw people through loving trusting and positive eyes. She always greeted you with a hulk hug and the sweetest kiss to the cheek. I was an aide for Sonia while she attended Estherwood Elementary and how she blessed my life. I remember when she registered in the MDA Pageant and wore a white dress and she mentioned if I thought she was beautiful. I expressed to her she will always be beautiful because of who she is! That evening her joy seemed to be radiant and the white dress flattered her greatly. Sonia you are a Blessing to many of us who paths have crossed. You will be dearly missed.
