“ *Thanks to everyone who came and called. We we're truly blessed but shocked at the outpouring of love for my father. So many people came to the funeral home and church. It is truly amazing how many people he touched in his life. I want to thank the wonderful staff at Matthews and Son. They were so helpful in every aspect of this journey for us. My father looked so at peace that it set my heart at ease. Thanks again and God Bless Everyone!!!!*

“ *The news of your loss saddens me greatly. After working with Steve at JHS, I felt that he was such a genuinely good friend, and I always enjoyed seeing him from time to time since retirement. I'll never forget all the advice he gave me on those afternoons after school when he stopped by to do my classroom...discipline, room arrangement, weather, money management, politics, sports, online games, you name it...Steve could talk about it. Most of all he liked to brag about his wife and daughters of whom he was very proud. He will be missed. My thoughts are with you all.*

“ *Bonnie: I could never ask for a better neighbor and friend than the two of you. I can remember walking over to your house when I couldn't start my mower and Steve would gladly start it for me. He would also surprise me by edging my lawn. When he greeted us at Walmart it was genuine. I am praying for you and your family. God loves you!!!!*
